Prelude To Discovery

Gerald del Campo

As you try to deny
that kicking inside
which leads you
to the Knowledge of Yourself.

It comes as no surprise
the intensity of your despise
you hate everyone and everything
because all things you see are you.

It's easy to demand
that others understand
and except you as you are
even if you are not what you seem.

But you won't find happiness
or shake the loneliness
until you become
the Star you oppress.
